Sacramento City College (SCC)

Commonly known as ‘City College,’ our institution seeks to create a learning community that celebrates diversity, nurtures personal growth, and inspires academic and economic leadership.

SCC is an open-access, comprehensive community college, serving a diverse student population. We provide a wide range of educational opportunities and support services leading to transfer, career advancement, basic skills development, and personal enrichment. Through these efforts we contribute to the intellectual, cultural, and economic vitality of the community.

Aim High

We encourage CAHSEE Student Success Program participants to enroll in any of SCC’s programs. Sacramento City College offers over 180 different certificated, associate’s degree or 4-year degree transferable programs from which you can choose.

In addition to traditional college courses, SCC offers career training in health care, aviation maintenance, business, administration of justice, early childhood education, computer science, office management, railroad maintenance, music production, and cosmetology.

The CAHSEE Student Success Program is your key to pass the High School Exit Exam and begin your college career.
