Issue/Concern _Port-a-Potties by construction site_

Signature of Initiator(s) _ (e-mail submission)

Provide information, which succinctly but fully discusses the issue/concern (if necessary, add additional pages).

A. **Describe the issue/concern:**
   A student came to the ASG expressing a concern about the Port-a-Potties at the parking lot construction site. The student expressed that the Port-a-Potties are starting to stink and become a nuisance to anyone having to walk though the walkway.

B. **What do you recommend or suggest solving this issue/concern?**
   The student recommended that the Port-A-Potties be moved to another side of the construction site so not to cause anymore discomfort in coming to or leaving from school.

C. **How will this recommendation support the success of SCC students and benefit the campus community?**
   During this construction period parking is a problem and the SCC campus is promoting the use of the light rail and bus system. We need to make this process come with as few discomforts as possible.

Please return this form to the Process Coordinator, Nelle Moffett, RN 221. The Initiator will be notified within 5 working days as to the committee or council that will review this issue/concern.
