Planning, Research & Institutional Effectiveness Committee Charge

Reviews and recommends changes to the campus planning process to assure that the process serves the planning and resource allocation needs of the institution; provides guidance for the development of college goals and recommends them to the Executive Council; insures that the college planning process and goals are guided by the District’s strategic plans. Reviews and makes recommendations regarding the college research agenda including support of the grant writing function. Makes recommendations about what measures to use to assess institutional effectiveness and the presentation of the Institutional Effectiveness and provides periodic guidance for the review of these statements. Assures the continuity of the accreditation process from the self study and team findings into the planning process.

Suggested new charge:
The PRIE Committee acts to assist the CSPC and PRIE Office in the tactical implementation of College Strategic Planning. This includes:

- Communicate with the college community about key planning questions, how college data is used to support college goals, outcome measures, and information related to suggestions for process improvements.
- Provide support for college-wide dialogue concerning key findings from the data analysis, planning questions, and the implementation of college plans. In order to provide this support the PRIE committee will review qualitative and quantitative data relevant to the College Strategic Planning Process.
- Provide feedback to the PRIE Office as that office identifies planning data, conducts the initial assessment and interpretation of the data, and compiles the data for use by the CSPC.
- Assist college groups implementing planning processes as appropriate (e.g. unit planning forms).
- Review and make recommendations regarding the college research agenda including support of the grant writing function.
- Assure the continuity of the accreditation process from the self study and team findings into the planning process.
- Complete other tasks for the CSPC as requested.
