UPDATE:

Thomas Greene provided a draft concept paper (attached) for committee review. The concept paper focused on the moving forward plan, as described by the committee in the December 2008 meeting. Feedback on the concept paper was shared.

Further, the committee reviewed some qualitative survey data associated with the CCSSEE Report (attached) as a starting point to identifying possible topics for the student focus groups.

ACTION:

T. Greene will distribute the concept paper to entire committee for further comment.

Once finalized, the tri-chairs (Greene, Anderson, and Wydick) will participate in forming small work groups, as described in the concept paper.

At the next meeting, the committee will finalize the concept paper, and identify working group assignments.

HOMEWORK:

• Review draft concept paper
• Review CCSSEE survey
